- Morning snack and lunch
- Wide brim hat
- Comfortable shoes
- Drink bottle

And check the program for any special requirements for excursions/activities.

Happy holidays!

When UV is 3 or above be SunSmart

Slip Slop Slap Seek Slide

CAPS DON'T KEEP THE SUN OFF!

Broad brimmed, legionnaire and bucket hats protect the neck, ears, temples and sides of the face – offering very good sun protection to these vulnerable areas which are common sites for skin cancer. Baseball caps and visors do not provide adequate protection.
