Dear Parents / Guardians

Norwood Out of School Hours Care strives to give you the best quality care for your children as well as to keep fee costs at an affordable level for parents.

As many parents are entitled to **Child Care Subsidy** fee reductions the cost will vary depending on the percentage of your CCS as assessed by Centrelink. Families must provide the service with the following details for both the Centrelink Account holder and the children attending OSHC:

- Customer Reference Numbers for the Account Holder and Children
- Dates of Birth for all of the above

Please indicate these details on your OSHC enrolment form or contact the Department of Human Services on 136150 so that you can provide them for us.

A **\$25** Family Enrolment Fee is **required upon submission of the enrolment prior to the first attendance of your child/ren**. Subsequent enrolment/s for younger siblings are reduced to **\$20** per enrolment. *This fee covers the cost of data entry, processing parent information, establishing links with relevant government agencies and maintaining current and updated information pertaining to all families.*
