Please make sure to only book for days you know you will require.

Morning Snack and Lunch

On excursion days children tend to eat more so we recommend providing a little extra on these days. We are not able to heat or cook food provided for children's morning tea or lunch. A water bottle must be provided each day. OSHC educators will happily re-fill this for your child as needed.

We are nut-free in Vacation Care. We ask that you please do not send nuts or food which contains nuts to help protect those with allergies who use our service.

Please provide these every day:

- * Morning snack and lunch
- * Wide brim hat
- * Comfortable shoes
- * Drink bottle

When possible, pack a nude lunch box to reduce waste and litter ☺

Activity requirements:

Some venues, activities and excursions have specific requirements. Please make sure to read carefully and send your child with all the things needed to ensure they can take part in all program activities.

Excursions:

Please note the **excursion departure time** on the program, where applicable, and ensure you arrive at the service **BEFORE** the time indicated

Pocket Money

Pocket money is only allowed on specific days and is optional. These are noted on the program with a gold coin symbol. Please hand money to educators at drop off time. Pocket money should not exceed \$20 however we recommend around \$5 for a small treat.
