~ Refunds are NOT available. This includes absence and cancellations

~ Bookings cannot be transferred/swapped between days

Please make sure to only book for days you know you will require.

Morning Snack and Lunch:

On excursion days children tend to eat more so we recommend providing a little extra on these days. We are not able to heat or cook food provided for children's morning tea or lunch, please pack food accordingly.

We are **nut-free** in Vacation Care. We ask that you please do not send nuts or food which contains nuts to help protect those with allergies who use our service.

Excursions:

Please note the **excursion departure time** on the program, where applicable, and ensure you arrive at the service **BEFORE** the time indicated

Electronic Devices and valuable items:

We encourage you to have your child leave phones and smart-watches with internet or image capturing capabilities at home. Should you have to contact your child while they are at OSHC please ring the service. If they need to bring them with them they must be handed to Educators on arrive and will be locked away. Any child seen using these devices will have them confiscated and the policy breach will be reported to you on collection.

We recommend children do not bring valuable items, including trading cards, to Vacation Care. However, if they do, educators are able to lock them away for safe keeping and monitored use. Please discuss this option at drop off to ensure educators are aware of any items which need safeguarding.

Lost Property:

We do our best to make sure children put their belongings in their bags but ask that you help us by reinforcing this with your child. We advise regular checks of the lost property during Vacation Care.

If possible please label clothes and belongings with your child's name or your family name so we can more easily assist in returning them.

Pocket Money:

Pocket money is only allowed on specific days and is optional. These are noted on the program with a gold coin symbol. Please hand money to educators at drop off time. Pocket money should not exceed \$20 however we recommend around \$5 for a small treat. Pocket money is not to be given in place of a packed lunch.

Activity requirements:

Some venues, activities and excursions have specific requirements. Please make sure to read carefully and send your child with all the things needed to ensure they can take part in all program activities.
